

INTERIOR PRE-PAINT CHECKLIST

The following will assist us in completing our work properly and efficiently. Please read carefully.

OUR PAINTERS WILL

- Cover flooring with plastic, paper or drop cloths
- Cover furniture with plastic or drop cloths
- Remove trash & empty paint containers when done
- Mark leftover paint cans & leave them for customer

CUSTOMER MUST (PRIOR TO OUR ARRIVAL)

- Disconnect wiring from any electronics. Please identify your wires so you can reconnect them properly later.
- Clear/Remove curtains/draperies, items on walls, flat surfaces, contents in cabinets (if painting), items on floors, anything else that may be exposed to paint from all rooms, closets, bathrooms & other areas being painted. Store away properly. Leave all hardware of any hanging items. If you wish to relocate those items, remove hardware & our painters will patch the wall. Move all furniture (at least 3 ft from walls). Remove or secure grandfather clocks & pianos from area being painted (we will not move these items).
- Disable alarm systems. Turn on water & power. Unlock
- windows/doors if painting.
- Re-locate pets. We love animals but do not want them getting paint onto their fur, floors or furniture.
- Arrange for you to stay away from the jobsite for the duration of the project if you are sensitive to odors or are pregnant.

LET US KNOW

- Where we can park & place our kit/tools
- If we can use your facilities
- Can we display a sign with our company info on the property while we work?
- If you will need our painters to move your furniture. An ADDITIONAL \$50 per hour, per man will apply
- Of any questions or concerns prior to paint

UPON COMPLETION

The foreman will inform you of the estimated day and time of completion. We ask that you walk the property at this time for any touch-ups that may be required (there will not be a separate trip for this step). The foreman will leave touch-up paint at the property before leaving. The final balance due will still be required if the customer is not available for the final walk-through. In time, should there be any warranty-related issues, please call our office so that we may schedule a time to return for an inspection.

WE VALUE YOUR FEEDBACK! Upon completion, please let us know how we did to help us better determine how we can improve our services. If you were happy with our performance, please be sure to refer anyone you know to receive a discount on your next project!
